Dear Valued Customer:

Please check this bill to see if you have an actual or estimated reading. If you have an estimated reading please contact The City of Everett Water Department due to the fact that your meter may be damaged. We will repair or replace your meter if necessary. If this is not done you could incur additional charges on your water bill upon an actual reading. Please call (617) 394-2327 if you have any questions regarding this matter.
